Deans,

Kennesaw State's Academic Testing Services (ATS) is open. ATS provides facilities and services for proctored exams. More information is available at its [web site](#).

#### Online Proctoring

KSU uses ProctorU as our virtual proctoring service provider. Essentially, the student is remote, but a proctor watches the student take the exam through a web camera.

ProctorU charges the students to take an exam; there is no cost to KSU or the faculty member. The cost exams depends on the maximum-allowed time allowed by the instructor to take an exam, not on the actual amount of time it takes the student to complete it, based on the following schedule:

- 30 minutes or less: \$8.75
- 31-60 minutes: \$15.00
- 61-120 minutes: \$19.75
- 121-180 minutes: \$25.00
- 181 minutes or more: \$30.00

To set up a Proctor U exam, faculty members should [visit this site](#).

#### On-Site Proctoring

The Testing Center is located in the KSU Center, West Entrance. The Testing Center is staffed by KSU employees with about 85 terminals and state-of-the-art monitoring equipment. The cost for each exam, regardless of duration, is \$25 to the students, plus a one-time \$5 set-up fee.

To set up an on-site exam, faculty members should [visit this site](#). Because of capacity constraints, space may be limited.

Please direct any questions to Darrin Theriault (dtheriau@kennesaw.edu)

Regards,

Tim
