

Online Tutoring Services

- [The SMART Center](#) - Science and Math Academic Resources and Tutoring (SMART) Centers. In the SMART Centers, you will find people and resources to help with most general education Mathematics, Chemistry, and Physics courses along with select Engineering classes offered at KSU. No appointments are necessary to use the SMART Center's services.
- [Supplemental Instruction](#) - KSU students wanting to succeed in difficult courses can get help from Supplemental Instruction (SI) through weekly study sessions. All sessions are free to students. They currently offer help in the following courses: Anatomy & Physiology, Architecture, Biology, Chemistry, Construction Management, Engineering, Genetics, Geography, Literature, Physics, Political Science, Mathematics
- [Writing Center](#) - Whether you're a business major working on a proposal, a graduate student writing your dissertation, or an engineering student composing a report, your writing will be judged by instructors now and by potential employers later. The KSU Writing Center is here to support your development as a writer so that you become a more articulate and fluent communicator at the university and beyond.
- [English as a Second Language Center](#) - At the ESL Center, KSU IEP, undergraduate, and graduate international students can receive tutoring in writing, grammar, reading, pronunciation, conversation, and public speaking, as well as advising for their general education (core) requirements and mentoring.
