

## IRB WORKSHOPS FOR FACULTY

Kennesaw State University requires faculty and students to obtain prior review and approval from the Institutional Review Board (IRB) for all research involving human participants. The IRB ensures that people who participate in research are treated ethically and in compliance with all federal and state laws and regulations.

Join us for two important IRB workshops designed for BCOE Faculty!  
The workshops will be conducted by **Dr. Christine Ziegler**, KSU's IRB Director and Chair.

### IRB 101
